

Rainbow Club Autumn Newsletter

Welcome to Autumn term and a big welcome to the new Reception children. Wow! They have settled in so well. There has been lots of playing in the home corner, racing with the hot wheel tracks and getting crafty making autumnal pictures and scarecrows.

We have recently taken a delivery of Loom Band Kits and these have fast become a Rainbow Club favourite activity.

Rainbow Club Autumn Newsletter

Cookery Club continues to be very popular. This term the children have prepared some yummy dishes including Mexican Rice and Bean Salad, Trifle and Sushi!

Running Club

Timed treasure hunts have been part of our warm ups at Running Club. A favourite activity has been our timed running challenge where the children take it in turns running a lap at a comfortable pace and then try to run a second lap at exactly the same pace. Many of the children were less than a second out. Very impressive!

Our Multi Sports classes are always a Rainbow Club favourite. This half term activities have included archery, climbing, assault courses and table tennis.

Rainbow Club Autumn Newsletter

In French Club the children have been working on their phonics, recapping everything they have learnt in the past few terms and learning all about French Halloween traditions and vocabulary

Bounce and Beat continues to be a favourite way to start Fridays with lots of popular music and high energy! The sessions alternate between dance one week and gymnastics the next.

Please note - bookings for Autumn 2 term will go live on Thursday 13th October at 8am. We look forward to welcoming the children back in the Autumn 2 term
