

Be Curious

Responsible, encourage, confident, curious, challenge, investigator, inspired, outdoor learner, explorer, proud, valued, life-long learner.

20th January 2023

Dear Parents and Carers

Today we have been learning about Chinese New Year and wish all our families who are celebrating at the weekend a very Happy New Year. The children have enjoyed making traditional food, creating dragon dances, playing musical instruments and even done some yoga with the theme of the Chinese Zodiac story.

There has been some super learning going on throughout school this week: reading, phonics, maths, writing, science, ukulele playing, gymnastics, computing, and wonderful singing. We are working hard to ensure that all the children experience a rich, engaging and creative curriculum which develops curiosity and enquiring minds.

'Kung Hei Fat Choi'

Enjoy the weekend, Katie Gane

Eco Committee Updates

In assembly our Eco Leader, Martha gave the whole school an update on the energy we saved during our 'switch-off afternoon' last term. Martha and Carys have been measuring the kWh and found out that school can save more than 6kWh a day if we all use less electricity in the school day.

Martha also shared some of their actions for the term:

- Set up a repair café (more info to come)
- Join the big RSPB Bird watch
- Take part in the campaign for a plastic free Kenilworth
- Continue to use classroom energy monitors

Year 6 Wales and Year 5 Whitby

Just a reminder that final payments for the residential trips are due by Tuesday 28th February. The balance outstanding for Wales is £429 and for Whitby is £170 (assuming you have only paid the deposit of £50). If you wish to check your balance then please just send an email to admin2605@welearn365.com Many thanks.

Team Point Winners

This week the team point winners are: Shakespeare

Vision Champions

This week we are celebrating these children for their super learning and behaviour and demonstrating our school vision in action:
