

Spring term newsletter

Welcome to the new Spring term at Rainbow Club. We have kick started the new term and the new year with a healthy mindset with the our Health Track Challenge. The children will be seeing how many they can do each day.

Rummikub has become so popular at Rainbow Club we feel it should be called Rummikub Club! We've been amazed at how quickly the children have learnt how to play this game of skill and strategy

Other favourites include Lego, Loom Bands, Marble Run and Knitting

Health Track Challenge

In French Club the children have been learning lots of new topics including how to talk about the weather. We are all hoping to have *Il Fait Beau* soon.

Cookery Club continues to be a sell out each term. So far during Spring 1 the children have made Chocolate Brownies, Greek Salad and Cheesecake with many more yummy recipes to follow.

In creative writing the children have been writing short stories and poems on the theme The Road, they will be entered into a competition next month.

The children have been having fun with archery at Bootcamp this week. Hit the target or do burpees!

Spring term newsletter

Running Club – back for Spring 2 term!

Now that we are starting to get some lighter evenings, Running Club will be back on Mondays in Spring 2 term and ready to book when the bookings go live in February

Spring 2 term

Please note that the new bookings for Spring 2 term will go live on Tuesday 7th February at 8am. Bookings will be on a first come first served basis. Further details and a full timetable will be sent out next week.

Rubik's Cube frenzy continues to sweep through Rainbow Club.

We have been watching tutorials on how to solve them with some of the children succeeding.
