13<sup>th</sup> January 2023

Dear Parents and Carers

This week has flown by with some wonderful experiences for the children. On Tuesday I was so excited to join our forty-four young voices at Resorts World Arena in Birmingham. We all had a wonderful day and I felt so proud of all the children who sang their hearts out!

Year six have also enjoyed a great experience with a visit from some real-life magistrates. The children learnt about being in a court of law, gathering evidence and passing a verdict.

Year Three, Four and Five began swimming lessons on Monday at the Alan Higgs pool in Coventry and all enjoyed their lesson, listening carefully to instruction and some over-coming fears. Whilst the Abbey Fields swimming pool is being re-built we are pleased to be able to provide this opportunity for the children.

Next week on Thursday 19<sup>th</sup> January at 8pm the PTA will be hosting their first zoom meeting of the year. Everyone is welcome and I know the committee would love to see you.

I hope everyone has a restful weekend.

Best wishes, Katie Gane.

## Young Voices

On Tuesday we left school at 12.30pm and travelled by coach to Birmingham. Everyone was very excited to be going to Young Voices 2023 with 6448 other children!

When we were singing it was so breath-taking because everyone in the arena were also singing and the sound was incredible. It wasn't just Young Voices singing, other acts performed like dancers and musicians. It was really good when we had to sing in different parts especially in Milliganantics. It was fun to join in with the other acts like Heather Small from M-People which made it more interesting because we have never experienced anything like this before. We all felt like pop stars!

## Lunchtime Sports Club Changes

Below is the new lunchtime club rota starting from Monday 16<sup>th</sup> January 2023.

Tuesday- Y5&6 Netball (Sports Court)

Wednesday- KS2 Cross Country (Field)

Thursday- Y5&6 Girls Football (Field)

Friday- Y5&6 Boys Football (Field)

If your child will be attending one of the clubs that take place on the field, please ensure they have a spare pair of trainers/football boots to change into. Any child without a change of footwear will not be able to take part. Many thanks, Mr B.

## Voluntary Contributions

During the year there are a number of external school activities where we ask parents/carers for a 'voluntary financial contribution'. We recognise that some events are part of the school curriculum and therefore parent contributions have to be 'voluntary'. Despite this, wherever we meet a shortfall, the harsh reality is that this impacts on our fixed school budget for the year. When charges are calculated for an activity they are based on the excess costs incurred, divided by the total number of pupils participating. School regrets having to request these contributions and greatly appreciates the continued support of the school community.

## Parking in the School Carpark

Parents may use the carpark for dropping children at Rainbow Club before 7.45am and collection after 4.45pm. At all other times please park safely and responsibly in the locality. Thank you.

## Vision Champions

This week we are celebrating these children for their super learning and behaviour and demonstrating our school vision in action:
