

Father's Day Shop

Wednesday 15th June 2022

For Father's Day the Priors Field PTA organise a 'Gift Shop' for the children to visit and 'buy' a present for their Dad. As well as choosing for Dads, children can also select a present for their Grandfather or any other special person.

Participating children will visit the shop and choose from a wide variety of pre-wrapped gifts to take home and keep as a surprise for Father's Day. The process of choosing the gift is delightful to watch and magical for the children!

The cost of each wrapped gift is **£3**.

If you would like your child to visit the Father's Day Shop, please send into school, £3 (per gift) along with the attached slip by **Friday 6th May (due to the residential trip to Whitby the deadline for Year 5 is Monday 9th May)**. Please note that these are strict deadlines and it is necessary to book in advance in order for us to have the time to shop and wrap the presents.
