10th June 2022

Dear Parents and Carers

Welcome back to the final half term of the school year and hope everyone enjoyed the Jubilee celebrations last weekend. We have a busy few weeks ahead, welcoming our new Reception class of 2022/23 and saying goodbye to our Year 6! There will be trips, sporting events, music, drama, dancing and outdoor adventure activities as well as our Summer Fair on Friday 15th July. We look forward to seeing you all at some point and celebrating your child's achievements.

On Wednesday, Reception enjoyed a wonderful day at Warwick castle they were impeccably behaved and a credit to our school.

Best wishes

Katie Gane

Bioblitz Day

We will be having our annual Bioblitz Day on Wednesday 22nd June. Each class will be taking part in activities in the Environmental Area and in the classroom. Matt Cox, our wildlife expert will again be joining us to run the activities. Please can children come to school in appropriate clothing - long trousers are advisable and all children will need their wellies in school (school uniform not required on this day). Years 3 & 4 will be taking part in their usual PE lessons during the afternoon. Depending on the weather on the day, please send a waterproof coat and/or sun hat and please make sure children have sun cream on. If you have any questions, then please don't hesitate to speak to your child's class teacher. Thank you for your continued support.

Reception Father's Day Workshops

As you are aware we are planning to hold a special event for Father's Day on **Friday June 17th**. The children would like to show their Daddies, Grandpas, Uncle or a special adult how much they appreciate them on Father's Day.

We would like to invite Grandpas, Uncles, Daddies, or a special person to join us at 2pm in the environmental area to enjoy some fun outdoor activities. The event will finish at 3.20pm and you can then take your child home at the end of the afternoon.

We hope that you will be able to join us and, if you haven't already been in touch, we would appreciate confirmation of attendance so we have an idea of numbers.

Best wishes, The Reception Team

School Field/Trespassing/Dogs

This week we have had to clean up dog mess from the school field at break time and also noticed large amounts of litter on our football field and other hidden areas of the school grounds. In the holidays and at weekends, particularly during the summer months, we often have a problem with trespassers on the school grounds. Dogs should also not be on the school site. If you are living nearby or hear of any intruders please can you inform school via email so we can respond quickly.

Rainbows

We have been experiencing a number of late bookers for child care this week. Please be mindful that our very special Rainbow Club runs on a carefully planned adult/child ratio according to the numbers of children booked in each day. In order to safeguard our club and keep every child safe please ensure you have made the bookings you require for this half term.

Please can we also remind parents to inform Rainbow Club if arrangements differ from those booked on the system and please can all parents dropping or collecting children be mindful of our carpark rules. Thank you.

Uniform

We all know how frustrating it is when children misplace their school uniform, particularly their performance jackets. Please label all uniform. A named item will be returned if it is labelled. School uniform should all be named on the inside and not be visible on the outside of garments.

Dates for your Diaries

We can confirm the final two Teacher Training Days for the school year 2022/2023. They will be on Monday 24th and Tuesday 25th July 2023 meaning the last day of term next year will be Friday 21st July 2023.

Attendance

Before half term we reminded all parents about not taking holidays in school term time. However, we are continuing to receive requests which we are unable to authorise. If you take your child out of school without permission, some schools issue a penalty notice. If you receive a penalty notice you would have to pay: £60 per parent for each child - if you pay within 21 days.

As a school we are not registered with the local authority to do this, however, if our absent rates continue to fall we might be forced to. Please consider this carefully when arranging holidays.

Congratulations

Congratulations to Amelia T, Year 5, who won Gold in a recent karate competition.

Amelia travelled to London to compete in a Kumite/Team Kumite/Kickmaster competition. Amelia was in the aged 10/11 category and beat her opponent with a convincing 7 - 0 result.

Wow! What a superstar.

PRIORS FIELD PTA NEWS

Bag2School - Friday 17th June

Please remember to bring your unwanted textiles in sealed bags next Friday morning before 9am and leave them on the tarpaulins by the bike rack. This is a great way to get rid of unwanted textiles, be environmentally friendly and earn some extra cash for our new school computers. Our last bag collection raised £100 - thank you.

COMMUNITY NEWS

Have Your Say!

The [Warwickshire Music Hub](#) provides musical opportunities for thousands of children and young people in schools and communities across Warwickshire every week.

To help ensure that we are providing the right musical opportunities, in the right way, at the right time and in the right place for you,

We want to know:

- About the types of music you enjoy.
- If you learn or would like to learn how to play a musical instrument.
- If you would like to make or create your own music.
- Where and how you do, or might want to do this.

Please take a few moments to tell us about your music making, and musical ambitions using the link below.
